REFERENCE: 30-DAY POST-RUN-OFF REPORT (04/23/2020 - 06/01/2020)

Dear Ms. Capps:

This statement is in response to your Request for Additional Information dated December 23, 2020, concerning three items on the Committee's 30-Day Post-Run-Off Report filed on June 11, 2020 (the "Original Report").

First, your letter states that there was an error in the Committee's presentation of its January 1, 2020 cash-on-hand total on Line 8 of the Original Report. The Committee has rectified this mistake on the amended report being filed contemporaneously with this response (the "Amended Report").

Second, your letter seeks information concerning an entry listed on Schedule B supporting Line 26 of the Original Report. The Original Report incorrectly described this disbursement as a "loan repayment." In fact, it was payment of debt owed under a cost-sharing agreement with American Action Network that has been disclosed on the Committee's Schedule D since the 2019 Mid-Year Report. The entry has been corrected and is properly listed on Schedule B supporting Line 21(b) of the Amended Report.

Third, your letter seeks information concerning the Committee's disclosure of the above-referenced payment to American Action Network on Schedule D of the Original Report. Because this disbursement was a debt payment under a cost-sharing agreement, disclosure on Schedule D was proper.

Please feel free to contact us if you have any further questions.

Sincerely,

Caleb Crosby

Treasurer
